Toy Story Fun Book - Instructions

Attach using staples

Step 1: Print out all of the pages of your Toy Story Fun Book on cardstock or regular paper. Have a grown-up cut out each page and Mr Potato Head's parts.

Step 2: Fold the cover of the book in half so the illustration is on the outside. Fold each page of the book in half so the illustration is on the outside. Keeping the pages folded, arrange them so they are in order from one to six.

Step 3: Place your stack of pages inside the cover and staple along the spine of your book. Make sure that each page is in the staple line before you staple it.

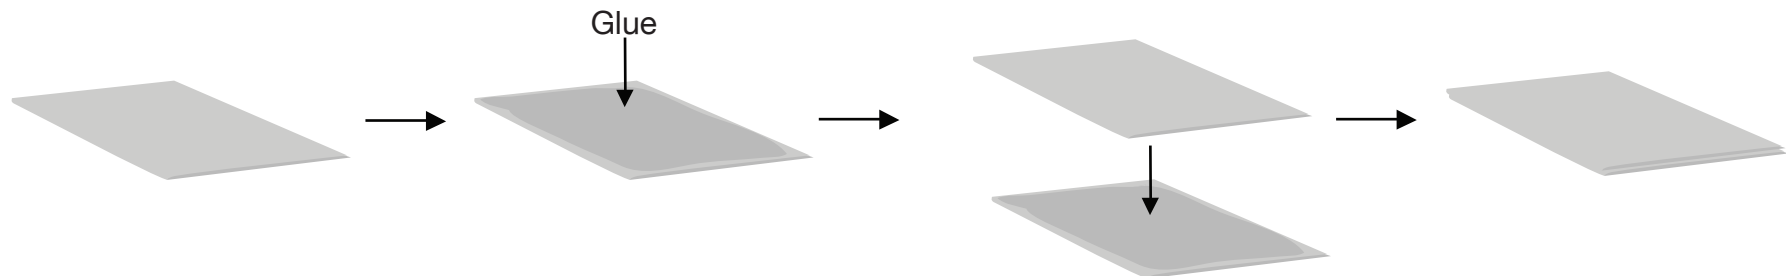

Attach using glue

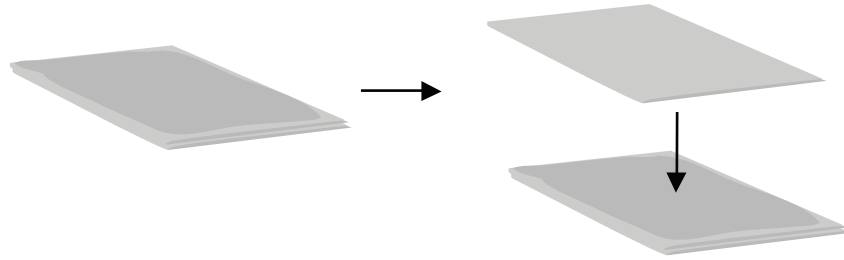

Step 1: Print out all of the pages of your Toy Story Fun Book on cardstock or regular paper. Have a grown-up cut out each page and Mr Potato Head's parts.

Step 2: Fold the cover of the book in half so the illustration is on the outside. Fold each page of the book in half so the illustration is on the inside.

Step 3: Place page 5 and 6, still folded, onto a flat surface. Spread glue over the white side facing up. Next, take page 3 and 4, still folded, and place its bottom white side directly on top of page 5 and 6. Make sure they line up exactly and are all facing the same way. Press down firmly.

Step 4: Spread glue over the white side facing up of page 3 and 4. Line up page 1 and 2 press down firmly.

Step 5: Now you should have a stack of pages glued together back to front. Last, spread glue over the inside of the cover, leaving a quarter-inch margin all the way around glue-free. Place your pages inside the cover and smooth all over, gluing the pages in place.
